

Pringle Brandon LLP

Architects
10 Bonhill Street, London EC2A 4QJ
www.pringle-brandon.co.uk

The most successful companies in Europe and the Middle East use our consultancy and design services to deliver the very best in workplace solutions.

Pringle Brandon is one of the leading workplace consultancy and design practices in the UK. We create innovative workspace solutions for people and their working environments. With knowledge and experience, we regularly provide the following

services for both occupiers and developers;

- architecture
- interior design
- and consultancy, with a particular focus on space planning, briefing, building advice and appraisals.

Our designs achieve high quality, flexible, stimulating and sustainable working environments that support businesses and reinforce our clients' values and aspirations.

We are at the forefront of workplace research and design. Pringle Brandon's innovative approach has helped to shape the ambitions of many public and private sector clients for over 20 years.

Ramboll

Consulting engineers
60 Newman Street, London W1T 3DA
www.ramboll.co.uk

Ramboll is a leading engineering, design and consultancy company at the forefront of innovation. From across 200 offices worldwide we apply our engineering skills and passion to a wide

range of exciting and challenging projects.

We provide consultancy in the areas of buildings and design, infrastructure and transport, environmental services and renewable energies. From this service platform we can draw on skills from each area to deliver the multi-disciplinary approach and creative thinking that each client seeks. Combined with our drive for excellence we are in a strong position to deliver solutions which work for everyone.
